

Sponsorship Letter

The Clement High School Orchestra Booster Club (CHSOBC) is a not-for-profit (a 501c3) parent-run organization to support the activities of the orchestra department at Clements High School through fundraising, assisting with concerts, competitions, field trips, picnics, etc. CHSOBC also provides supplemental funding for instructional resources, professional development, and specialized lessons from established musicians. The CHSOBC board members are elected annually and work to fundraise for the school's orchestra program. Through our diligent fundraising efforts, we have been able to organize many motivating events for approximately 200 students. Our booster club is heavily funded by family donations. However, when we want to organize a big event for our students, we are required to look for sponsorship outside our network of high school orchestra families.

CHSOBC is actively seeking sponsors for the 2022-23 school year. We have multiple concerts / competitions / field trips to be organized throughout the school year. We are seeking monetary donations to help us partially fund the Chamber night dinner/concert in December.
